# All Saints' CE Primary School Newsletter

## A WEEK OF REFLECTION

On Tuesday we acknowledged the passing of one year since the first UK lockdown. The restrictions we've all been living under have meant a great deal to our school community – including children and families who are coping daily without the comfort of having their usual friends and family so close to them. It is great to be able to share our activities with you in this newsletter.

Teachers and parents have also been reflecting on learning and we thank you for your participation at parents meetings throughout this week. We would always prefer to welcome parents through our school doors. Yet, once again, we have successfully worked together to hold face-to-face meetings to discuss progress and steps forward.

Wishing you continued good health,

Caring and Achieving with  
Jesus at our side.

**Romans 15:13**

**May the God of  
hope fill you with all  
joy and peace as you  
trust in Him.**

## NATIONAL DAY OF REFLECTION: TUESDAY 23RD MARCH

---

In school this week we planted flowers and vegetables in our beds around school to symbolise our hope for a brighter future. In Geography we learn the importance of taking care of our village environment and in Forest Schools we look to be creative in developing our natural environment. Combining these felt natural and children reflected that a school in 'full bloom' would bring smiles to our faces.

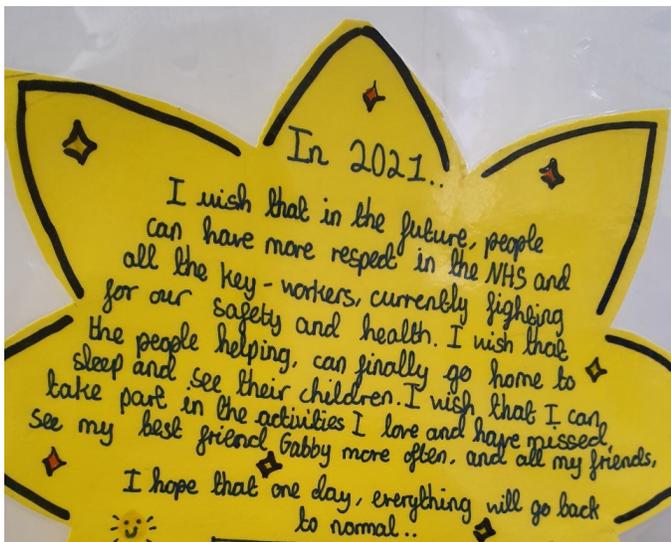

Chestnut Class: Sweet Peas and Nigella seeds to bloom in school colours.

Beech Class: Runner beans and Rainbow Chard to symbolise new growth and colour.

Elm Class: Strawberries to symbolise the fruits of our school values.

Oak Class: Giant Sunflowers at the front of school to make the community smile.
