Caring and Achieving

4<sup>th</sup> May 2020

Dear Parents

I hope you and your children continue to stay safe and well during these difficult times.

Attached to this letter is the new home learning activities prepared by our teachers. In addition, to complement our home learning packs, some new resources have been produced on behalf of the Department for Education. These include Oak National Academy (an online resource) which has been created by 40 teachers and provides 180 online lessons each week for all children from Reception to Year 10, covering all subjects. Another excellent resource is BBC Bitesize (which can be accessed via your television or online), featuring celebrities and teachers, aiming to keep children in Years 1-11 learning and supporting parents at home. These are useful resources to directly teach your child some of the concepts in our home learning, as well as providing additional fun activities for them to complete. As always, if you have any queries, please continue to contact the class teacher on their school email or call the school to speak to me.

It has brightened our day each time we have received a video or picture of the home learning and activities that your children have been enjoying over the last four weeks of term – please do take the time to view them on our new website: [allsaintstrysull.co.uk](http://allsaintstrysull.co.uk) – click on the parent link and then home learning 2020. On here you will find all photos and videos, as well as links to the apps that we are encouraging all children to use. Please send any additional photos and videos that you are happy for us to share on the website to: [lprosser@stbartsmat.co.uk](mailto:lprosser@stbartsmat.co.uk) – we look forward to seeing them – and keep your eyes peeled for a surprise video that will be posted at the end of this week! Mr Godfrey has now taken up his post as Head of School and is working alongside me and all staff each day. He will be contacting you all shortly to introduce himself.

Mr Godfrey, the staff and I all look forward to seeing you and your children (hopefully) soon – we miss you all very much. Please take very good care and stay safe and happy.

Yours sincerely

Katy Kent  
Executive Headteacher

**Caring and achieving with Jesus at our side**
