Caring and Achieving

12<sup>th</sup> October 2021

Dear Parents/Carers,

### **Important Safeguarding Information – Squid Game**

Due to the popularity of Netflix's most recent viral show, Squid Game, we have decided to release a Safeguarding Update that highlights the main risks and concerns that safeguarding experts found when researching the show.

### **What is Squid Game?**

Squid Game is a South Korean television series streaming on Netflix. The plot centres on a group of adult debtors, thieves, and gamblers competing against each other in a series of childhood games for a grand cash prize. However, there is a dark twist to these seemingly innocent games – losing competitors are violently killed off in ways that grow more twisted as the games grow more intense.

Since its release in September 2021, Squid Game has become number one across 90 different countries in Netflix's ranking of most watched TV shows. It has been number one in the UK for thirteen consecutive days since its release.

### **Harmful Content in the Show**

Currently, Squid Game has a rating of 15+ as the visual content includes high levels of gore, death, violence, and physical assault. It also has graphic depictions of suicide, murder, and sexual assault.

Children and young people are likely to know about the show via word of mouth and because it is so popular on social media. They may be unaware of the extent of gore, death, and violence the show contains. It also focuses on adult themes that are not appropriate for younger sensibilities. For young people who live with mental health issues, the content may cause them further distress.

The aesthetic of Squid Game, especially in promotional images and material, appears innocent and childlike. This is to provide a clash with the excessively violent content that is meant to be jarring and unsettling to viewers.

Parents and carers should be aware that video content from this show is found on TikTok, which could also increase their interest in watching the show. Remember, even if you restrict the young person in your care from watching Squid Game, they may be able to access content on other social media platforms.

**Caring and achieving with Jesus at our side**

*"I can do all things through him (Jesus) who gives me strength" – Philippians 4:13*
